

Panasonic Panafax DX-800

Highly Recommended

Low priced device offering Scan-to-Email and Scan-to-PC functionality. Automated archiving is ideal for SEC and similar applications. LDAP integration allows for dynamic access to email addresses held in corporate directories. Inbound Routing allows users to route documents to other G3 fax machines, email addresses, or to other Internet Fax. Overall the Panafax DX-800 proved an easy to use device, ideal for small to medium size businesses.
