

BERTL's Best™

8th Annual Awards

Panasonic

Fax Range of the Year

The BERTL's Best Award for "Fax Range of the Year" is bestowed on the product line which delivers outstanding flexibility and functionality suitable for a wide range of purposes. BERTL has awarded the BERTL's Best Award in this category to Panasonic for its versatile, well-designed range of fax products which encompass a tremendous variety of features, functions and price points.

Over 1,000 product reports on digital copiers, printers, color and multifunction devices are published at www.BERTL.com. This certificate is copyright © BERTL 2003. No copying, reprinting, storage, web-display or distribution of this certificate is permitted unless you have purchased a Reprint License from BERTL for such purposes.
