For the health and comfort of children

Fangfei International Kindergarten specializes in early childhood education. Keeping all students and teachers safe and healthy is a key priority for the kindergarten. In this regard, Fangfei International Kindergarten sees ziaino™ as a reliable choice. The ziaino™ is an excellent health guardian that uses hypochlorous acid to inhibit bacteria and viruses to prevent infectious diseases. ziaino™ can also reduce odours for the students and teachers to enjoy better air quality.
