© Panasonic Entertainment & Communication Co., Ltd. 2014-2023

1. Subject to the conditions of this warranty Panasonic or its Authorised Service Centre will perform necessary service on the

product, without charge for parts or labour, if in the opinion of Panasonic the product is found to have a manufacturing defect within one (1) year or (12 months) (the "warranty period") from the date of purchase appearing on your purchase receipt

Panasonic Warranty

- 2. This warranty only applies to Panasonic products purchased in Australia and sold by Panasonic Australia, it's Authorised Distributors, or Dealers, and only where the products are used and serviced within Australia or its territories. Warranty cover only applies to the services that are carried out by a Panasonic Authorised Service Centre and only if valid proof of purchase is presented when the warranty service is requested.
- 3. This warranty only applies if the product has been installed and/or used in accordance with the manufacturer's recommendations (as noted in the operating instructions) under normal use and reasonable care (in the opinion o Panasonic). The warranty does not cover damage, malfunction or failure resulting from use of incorrect voltages, incorrect installation, accident, misuse, neglect, build-up of dirt or dust, abuse, maladjustment of customer controls, mains supply problems, thunderstorm activity, infestation by insects or vermin, tampering or repair by unauthorised persons (including unauthorised alterations), exposure to abnormally corrosive conditions, or any foreign object or matter having entered the
- 4. This warranty does not cover the following items unless the fault or defect existed at the time of purchase: (a) Consumable parts
- (b) Cosmetic parts

For Australia

- (d) Information stored on Hard Disk Drives, Optical Discs, USB Devices, SD Cards, Tapes
- (e) DTV reception issues caused by TV Aerial / Cabling / Wall socket(s) 5. Some products may be supplied with Ethernet connection hardware. The warranty is limited on such products and will not
- (a) Internet and or DLNA connection / setup related problems
- (b) Access fees and or charges incurred for internet connection
- internet or any other device.
- (c) Incompatible software or software not specifically stipulated in the product operations manual; and (d) Any indirect or consequential costs associated with the incorrect use or misuse of the hardware, its connection to the
- 6. To claim warranty service, when required, you should: Contact Panasonic's Customer Care Centre on 132 600 for Service Centre information
- Confirm the opening and acceptance times with the Authorised Service Centre that you choose
- Then send or take the product to a Panasonic Authorised Service Centre together with your proof of purchase receipt · Any freight and insurance costs associated with the transport of the product to and/or from your nearest Authorised Service
- Centre must be arranged and paid for by you. 7. The warranties hereby conferred do not extend to, and exclude, any costs associated with the installation, de-installation or re-installation of a product, including costs related to the mounting, de-mounting or remounting of any screen, (and any other ancillary activities), delivery, handling, freighting, transportation or insurance of the product or any part thereof or

replacement of and do not extend to, and exclude, any damage or loss occurring by reason of, during, associated with, or

related to such installation, de-installation, re-installation or transit. Panasonic Authorised Service Centres are located in major metropolitan areas and most regional centres of Australia however, coverage will vary dependant on product. For advice on exact Authorised Service Centre locations for your product, please telephone our Customer Care Centre on 132 600 or visit our website and use the Service Centre Locator

In addition to your rights under this warranty, Panasonic products come with consumer guarantees that cannot be excluded under the Australian Consumer Law. If there is a major failure with the product, you can reject the product and elect to have a refund or to have the product replaced or if you wish you may elect to keep the goods and be compensated for the drop in value of the goods. You are also entitled to have the product repaired or replaced if the product fails to be of acceptable quality and the failure does not amount to a major failure.

If there is a major failure in regard to the product which cannot be remedied then you must notify us within a reasonable period by contacting the Panasonic Customer Care Centre. If the failure in the product is not a major failure then Panasonic may choose to repair or replace the product and will do so in a reasonable period of time from receiving notice from you

THIS WARRANTY CARD AND THE PURCHASE DOCKET (OR SIMILAR PROOF OF PURCHASE)

SHOULD BE RETAINED BY THE CUSTOMER AT ALL TIMES If you require assistance regarding warranty conditions or any other enquiries, please visit the Panasonic Australia website www.panasonic.com.au or contact by phone on 132 600

If phoning in, please ensure you have your operating instructions available.

Safety precautions

WARNING!

- To reduce the risk of fire, electric shock or product
- Do not expose this unit to rain, moisture, dripping or
- Do not place objects filled with liquids, such as vases, on this unit.
- Use the recommended accessories
- Do not remove covers.
- Do not repair this unit by yourself. Refer servicing to qualified service personne
- Do not let metal objects fall inside this unit.

AC mains lead

The mains plug is the disconnecting device. Install this unit so that the mains plug can be unplugged from the socket outlet immediately

CAUTION!

To reduce the risk of fire, electric shock or product

- Do not install or place this unit in a bookcase, built-in
- cabinet or in another confined space. Ensure this unit is well ventilated - Do not obstruct this unit's ventilation openings with
- newspapers, tablecloths, curtains, and similar items. - Do not place sources of naked flames, such as
- For Asia and the Middle East This unit is intended for use in tropical climates.

lighted candles, on this unit.

For others This unit is intended for use in moderate climates. This unit may receive radio interference caused by mobile telephones during use. If such interference

occurs, please increase separation between this unit

and the mobile telephone • This unit utilizes a laser. Use of controls or adjustments or performance of procedures other than those specified herein may result in hazardous radiation

exposure.

- Danger of explosion if battery is incorrectly replaced. Replace only with the type recommended by the manufacturer.
- When disposing the batteries, please contact your local authorities or dealer and ask for the correct method of • Do not heat or expose to flame.
- Do not leave the battery(ies) in a car exposed to direct
- sunlight for a long period of time with doors and windows closed. • Do not break open or short-circuit the battery.
- Do not charge the alkaline or manganese battery.
- Do not use the battery if the cover has peeled off.

Remove the battery if you do not use the remote control for a long period of time. Keep in a cool, dark area.

(For the AC mains plug of three pins)

For your safety, please read the following text carefully.

Caution for AC mains lead

This appliance is supplied with a moulded three pin mains plug for your safety and convenience A 5-ampere fuse is fitted in this plug. Should the fuse need to be replaced please ensure that

the replacement fuse has a rating of 5-ampere and that it is approved by ASTA or BSI to BS1362.

Check for the ASTA mark \circledast or the BSI mark \heartsuit on the body of the fuse

If the plug contains a removable fuse cover you must ensure that it is refitted when the fuse is replaced. If you lose the fuse cover the plug must not be used until a

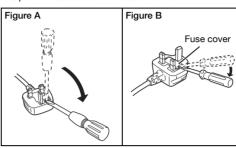

eplacement cover is obtained A replacement fuse cover can be purchased from your local dealer.

Before use

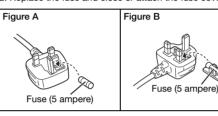

Remove the connector cover

How to replace the fuse The location of the fuse differ according to the type of AC mains plug (figures A and B). Confirm the AC mains plug fitted and follow the instructions below Illustrations may differ from actual AC mains plug.

1. Open the fuse cover with a screwdrive

2. Replace the fuse and close or attach the fuse cover
